The Aloe Vera Company

Look better, feel better.

If there's one thing Forever knows, it's Aloe Vera. In fact, we consider ourselves to be the Aloe experts.

We are proud to be the largest grower and manufacturer of Aloe Vera and Aloe Vera products in the world. Because we love Aloe, we treat the 50 million plants in our plantations a bit differently.

Unlike our competitors who use bulky equipment, our Aloe is nurtured, harvested and filleted by hand to delicately extract the potent inner leaf gel within hours and provide you with the purest, freshest Aloe Vera gel just as nature intended.

Our Aloe Vera products were the first to receive the International Aloe Science Council's Seal of Approval for content and purity.

These are just a few of the reasons that we are **The Aloe Vera Company!**

POWERFUL INGREDIENTS

We have dedicated ourselves to seek out nature's best sources for health and beauty and share them with the world. At Forever, we combine pure Aloe Vera with natural and scientifically advanced ingredients specially selected to complement and enhance the benefits of Aloe.

The versatility of Aloe Vera means it can be combined with different ingredients to be used many ways to help you and your family look better and feel better.

FROM PLANT TO PRODUCT TO YOU

From the moment our Aloe is planted in the ground until it reaches your hands, we control the process. This **plant to product to you** philosophy ensures that we can control how our Aloe is grown and harvested, manufactured and packaged, to ensure you receive the highest quality at the best available cost.

The passion we have for Aloe and our products can be seen throughout our facilities where we continually invest in the latest technologies and equipment to ensure we stay on the cutting edge of manufacturing, quality testing, packaging and distribution.

HONEST PRACTICES

Doing things the right way is the cornerstone of who Forever is and has been for the last 40 years. We hold ourselves to a higher standard. Not because it's cool or trendy or someone told us we had to do it that way, but because we believe it's the right thing to do. Forever does not test its products on animals and many of our products feature the Kosher, Halal and Islamic Society Seals of Approval.

We're so confident that everyone will love our products that we offer our customers a 30 day money back guarantee if they are not completely satisfied.

Millions of people in over 158 countries around the world have experienced the amazing benefits of Aloe Vera. What are you waiting for?

High antioxidants along with Aloe Vera, cucumber and castor oil are quickly absorbed thanks to the alcohol-free, unique delivery system. Your skin instantly feels revitalised and it is now prepped for further skin benefits.

Retain, restore, renew. Alpha hydroxy acids, also called fruit acids, exfoliate and loosen dead skin cells by dissolving the natural glue-like substances that allow dead skin cells to cling to the surface for far too long. Old skin cells create a barrier, so getting rid of these allows the other ingredients, vitamin E, retinyl palmitate and soluble collagen to go to work on restoring skin's moisture and renewing its appearance.
